Follow signage for the admission booth and online ticketing. A Happy Day Farm employee will help guide you to pay for the balance of your field trip. Afterwards, if you have cameras, you can gather your students for a group photo in front of the iconic 8-foot rocking chair. The rocking chair is located in front of the corn maze.

Next, please assign an adult to a small group of kids. Each chaperone will lead their own small group to the various activities. You should let each chaperone know where and what time your class will reconvene to board the buses.
